2

A PIEDMONT REPRESENTATIVE WORKS WITH YOU TO INITIATE YOUR SERVICE

- a. Help determine the location of your natural gas meter
- b. Discuss your installation timeline needs
- c. Sign your service agreement

-(3)

PIEDMONT BEGINS
THE PROCESS
OF INSTALLING
YOUR NATURAL
GAS SERVICE

- a. Your existing utility lines will be marked
- i. You must identify any private lines (i.e. sprinklers systems, etc.)
- b. Piedmont will install a service line from the street to the location of your meter
  - i. This will require digging and trenching
  - ii. Piedmont will return your property as close to its original condition as reasonably as possible

4

WORK WITH A
LOCAL CONTRACTOR
TO HAVE YOUR
APPLIANCES
INSTALLED

- a. All work must be inspected by your local inspection department
- b. Your contractor will schedule the required inspection

5

PIEDMONT
INSTALLS YOUR
NATURAL
GAS METER

YOUR SERVICE BEGINS

A Piedmont Natural Gas technician will install your meter and complete your service

You will begin to enjoy the comfort, affordability, reliability and environmental advantages of natural gas
