CHOOSING TO KEEP YOUR CONNECTION ON THROUGHOUT THE YEAR MEANS YOU CAN PARTICIPATE IN OUR *EQUAL PAYMENT PLAN*.

Then your payments can be spread throughout the year, resulting in lower bills during the winter. And when the cold weather hits in the fall, you'll enjoy:

- No reconnection fee
- No time away from work to have your service reconnected
- No unexpected cold nights without heat (you'll be ready)

SAVE TIME AND MONEY.
